

AMERICAN TECHNOLOGIES NETWORK, CORP.

ATN NVG7-3N WITH MILITARY KIT 1

Compact, lightweight and comfortable to wear, the NVG7-3N night vision goggles are perfect for all your night time hands free tasks.

Utilizing a quality made commercial light intensifier tube the NVG7-3N provides the user with a sharp and clear image.

The NVG7-3N goggles have a built in IR for total darkness with indicator "ON" light within the FOV and a flip-up headset.

Whether you are boating, observing wildlife or performing home security the ATN NVG7-3N is one of the best commercial night vision goggles available.

- Head mounted for hands free use.
- Quality 2nd gen. light intensifier tube.
- 1x, super fast 6 element lens system provides the user with a clear and sharp image.
- Dual eye viewing system for long viewing sessions.
- Built in Infrared illuminator lets you see even in total darkness.
- Single switch knob operation
- Automatic highlight protective system
- Interchangeable lenses for different magnification.
- Optional 3x or 6x magnification lenses available.
