

MARS 6X

NIGHT VISION RIFLESCOPE BODY KIT

Inspired by ATN's quest for technical perfection and named after the Roman God of War, the ATN MARS 6x riflescope represents the absolute latest in the world of night vision equipment.

Compact, lightweight and rugged one-piece construction is CNC milled from solid quality aluminum billet and fitted with titanium inserts.

The ATN MARS series is equipped with a new ATN proprietary feature – Two-Color Manual Brightness of the aiming reticle. This feature allows for a choice of color (red or amber) of the projected reticle depending on operator preference and lighting situation.
