

AMERICAN TECHNOLOGIES NETWORK, CORP.

TRIDENT PRO-21A

The Trident Pro is a rugged night vision weapon sight that provides excellent observation, target acquisition and aiming capabilities for the demanding sports shooter or varmint hunter. This scope is designed to withstand the rigors of the environment with a 20m for 1 hour waterproof rating. The best optics, tubes and performance make the Trident Pro scope one of the best night vision weapon sights there is!

- Light and compact design
- Top-notch performance with pro-oriented design
- Professional Grade optics
- Illuminated center red reticle for optimal contrast against a dark or light target
- Controls adjustments are simple and easy to operate
- All external surfaces are non-reflective matte black finish (except for the optical elements)
- Flip up back-up iron sights
- Waterproof 20 m, 1 hour
- Mounts to standard weaver rails
- The reticle brightness varies from off to full bright with a push of a button
- A-focal 5x magnifier
- Detachable IR450 infrared illuminator
