

OMEGA BINOCULAR

8X36RF

ATN's 8x36RF daytime Omega class binoculars are the quintessential professional binoculars. They provide a sharp stable image with excellent low-light performance.

Features multi-coated optics for superior light transmission, individual diopter focus for clearer images, built-in range finder reticle (M22) and full rubber armoring for increased shock resistance.

The combination of waterproof and high quality optics make it the perfect binocular for military, law enforcement, boating as well as for most hunting uses.

Meets standards and requirements of MIL-STD810 for a lifetime of high performance.
