

AMERICAN TECHNOLOGIES NETWORK CORP.

MANUFACTURER OF PRECISION OPTICS

NIGHT VISION BINOCULAR

NIGHT SENTRY

- Built-in infrared illuminator
- High resolution Gen 1+ Image intensifier tubes
- Easy to use digital controls
- Powerful 3.5x objective lenses
- Water and fog resistant
- Limited Two-Year Warranty

The Night Sentry is a compact, stylish night vision binocular. 3.5x magnification all glass lens systems combined with high quality 1st generation + light intensifier tubes gives you a bright and sharp image in any dark situation you may find yourself in. A built-in long-range infrared illuminator is also included to let you see even in total darkness. Do not let darkness impair your vision for a moment longer. Whether you are camping, boating, observing wildlife or surveying your property for intruders the Night Sentry night vision binocular let you see what goes bump in the night.
