

NIGHT VISION WEAPON SIGHT

TRIDENT PRO 6 - 21

The Trident Pro 6 is a rugged, 6X night vision weapon sight that provides excellent observation, target acquisition and aiming capabilities for the demanding sports shooter, varmint hunter or Law Enforcement/Military professional. The Trident Pro 6 has the all the same features as the standard Trident but is designed to withstand the rigors of professional usage.

Professional Grade optics and a waterproof, 20m for 1 hour rating makes the Trident Pro 6 one of the best night vision weapon sights there is!

- Professional Grade optics
- Illuminated center red reticle for optimal contrast against a dark or light target
- Controls and adjustments are simple and easy to operate
- All external surfaces are a non-reflective matte black finish (except for the optical elements)
- Flip-up back-up iron sights
- Waterproof
- Mounts to standard weaver rails
- The reticle brightness varies from off to full bright with a push of a button
- Trident Pro is designed to use 1 standard AA battery
- Detachable IR450 infrared illuminator
